

Celebrating **50** Years
of HOPE and HEALING

Seeking Special Sponsors

On Friday, May 15, 2020, Daemion Counseling Center will host The Hope Gala to celebrate five decades of giving back to our local community.

To help us bring the Gala to life and continue giving hope to those in need, we are seeking like-minded sponsors who believe in investing in professional, affordable services that directly impact the health of families where we work and live.

The Hope Gala

As a sponsor, you'll join Daemion, your friends, family, peers, and partners for **The Hope Gala**, an enjoyable evening of fine dining, live music with the Blue Sky Band, and inspiring stories at the distinguished and beautiful Waynesborough Country Club, Paoli, PA, on May 15, from 6:00 - 9:00 p.m. Guests can bid on popular getaways, luxury items, and professional service packages in our silent auction and capture the special evening in a professional souvenir photo.
